Lisa Marie Rice : Dangerous Lover (The Dangerous Trilogy) before purchasing it in order to gage whether or not it would be worth my time, and all praised Dangerous Lover (The Dangerous Trilogy):

3 of 3 people found the following review helpful. Slow, repetitive, and WAY too expensive By Juniper Lee Dangerous Lover had awesome potential but was peppered with several issues. First, it moved as slow as molasses. Paragraphs were repeated about the same thing and the protagonists stewed over the same issues over and over. Second, the editing. Simple mistakes were made on a constant basis, the name of the villain was changed and then switched back

and one point. Third, Rice's obsession with Jack's genitals. She couldn't write more than a couple sentences in Jack's perspective without talking about his member. Don't get me wrong, I am 100% woman and enjoy the male body just as much as the next female, but it got annoying after awhile. And the price For a \$9 e-book I expect a pretty awesome piece of work, which Rice was unable to deliver. Overall, Dangerous Lover had more issues than Vogue and I don't recommend it unless you're a serious masochist even then, I would use caution.0 of 0 people found the following review helpful. Jack Prescott/Ben won my heart!By Royal Lioness Lisa blogI read this as a digital library e-book and enjoyed it so much that I had to buy it! It captured my heart as Ben is the lonely, homeless guy in love with out-of-his-league Caroline. He has never forgotten her or his love for her, despite the many years he was away. He returns to find her, after being away at war and working for his 'father'. Such a romantic love story: he brought her car around to the front of her bookstore in a snowstorm, so that she wouldn't to brave the storm.The sexy romance between Caroline and Jack sizzled! I loved that there was romance in this story and not just sex scenes and suspense. As Caroline relates about some of the heartbreak with her family, it is an intense and sexy scene.The suspense story about the blood diamonds worked. I was drawn in by Jack, his physical attractiveness and his love for that he carried with him for 12 years. The description of Caroline's daintiness was a minus.The last scene where Jack confronts Deaver was terrific. I enjoyed the ending. A solid read from start to finish. Note that there is some violence.Yes, there were some improbable things, such as she was broke, but made huge dinners with fancy foods for them to eat. But that was minor and didn't detract from the story.21 of 21 people found the following review helpful. Hot, Thrilling RomanceBy Elaine C McTyerCaroline Lake has gone from riches to rags in 6 yrs. Her parents died in a car wreck and her younger brother was damaged so badly he had to live in a wheelchair, his face and body so torn nobody wanted to visit or help Caroline. But she has spent every penny and all her time caring for Toby and now that he is gone she is totally alone.Jack Prescott is alone too, his adopted father has died and now Jack is free to seek out the woman he has loved for 12 yrs. Twelve yrs ago Jack was known as Ben and he and his abusive drunken father were living in a shelter. Caroline and her family brought books and warmth to the people in the shelter and love to a lonely boy. The night his real father died he went to the Lake's house to tell them and saw Caroline playing the piano with a golden boy by her side. Even knowing she is probably married he has returned to see her one more time.To his surprise she is unmarried and runs a bookshop to support herself and lets rooms in the mansion which is all that is left of her inheritance. Everything else has been sold. Now Jack is wealthy but all he wants is a chance to be with this woman. Unknown to him his past as a RAnger and Security expert is about to catch up to him and the woman he has worshipped for all these yrs.I absolutely adored this book. A warm wonderful sexy read that I give 5 stars and a smile too. Do not miss it and if you haven't read any other books by this author be sure to get WOMAN ON THE RUN another great read.

"I dont want to be alone tonight."Caroline Lake can hardly believe she would ever say these words to someone she'd never met before. When a tall, dark stranger arrives wanting to rent a room in her beautiful empty shell of a mansion, she hesitates. Though she is in dire financial straits, the man looks dangerousdangerously sexy. She's overwhelmed by the desire he sparks in herhotter than anything she's ever felt before, making her ache to experience his sensuous touch. But who is this armed and mysterious man with danger following in his wake? He's not who she thinks he is . . . Jack Prescott has wanted Caroline forever. He has spent the past twelve years dreaming of her, desiring her, while fighting in some of the worst hellholes on earth. Now he's back, with twenty million dollars in blood diamonds and a relentless enemy stalking him. But this time Jack's determined that nothing will stop him from finally making Caroline his.

About the AuthorLisa Marie Rice is a virtual woman who exists only at the keyboard when writing erotic romance. She disappears when the monitor winks off.
