Professor William H. Mooney : Dashiell Hammett and the Movies before purchasing it in order to gauge whether or not it would be worth my time, and all praised Dashiell Hammett and the Movies:

As the father of the hardboiled detective genre, Dashiell Hammett had a huge influence on Hollywood. Yet, it is easy to forget how adaptable Hammett's work was, fitting into a variety of genres and inspiring generations of filmmakers.

"In this ambitious book, Mooney seeks to give a broad-based sense of the influence of Dashiell Hammetts writings on Hollywood film, demonstrating both great knowledge of and enthusiasm for Hammetts work."
