VovesI agree with the previous reviewer. Charles Busch is a supreme artist as the top of his game. " Die, Mommy, Die!" is one of my favorite movies. It never disappoints and it's all CB. I'm so glad his art was put on the big screen after years on the stage. Mr.Busch is amazing.0 of 0 people found the following review helpful. Charles Busch, GENIUS!!!By a readerI adore Charles Busch. He's one of the great artists and Americans, and this book is a blast to have, hold, and read!

Part of Alysons new screenplay series, this volume of the final scripts of two cult classics will provide endless enjoyment to fans and students of film. Renowned playwright and filmmaker Charles Busch, whose work has graced the stage from Off-Off Broadway to Broadway, provides commentary on the making of these two films and discusses what its like to be both behind the camera and to star as a leading lady. Charles Busch is the author of the award-winning Broadway play The Tale of the Allergists Wife, and Our Leading Lady. He starred in such plays as The Lady in Question, Red Scare on Sunset, and Vampire Lesbians of Sodom, which ran for five years Off-Broadway. In 2003, Busch received a special Drama Desk award for career achievement as both a performer and a playwright.
