By Lindz Marie I thought this book would be like most books about movies and shows and contain thing like interviews and set pictures and things like that, instead it is just still shots from the move and pieces of the script. Unless this is your very favorite movie, just skip it.

Named one of the most romantic movies of the past twenty-five years by Entertainment Weekly, Dirty Dancing is a touchstone in the lives of generations of moviegoers. Now, for the first time, millions of fans have the opportunity to own the first-ever book celebrating the magic, music, and memories of the seminal film. With photographs,

reminiscences from cast and crew, memorable quotes, trivia, and song lyrics, this gift-able package is a perfect and brand-new way to relive the film. Dirty Dancing is a timeless love story set in the summer of 1963 when Baby, an innocent seventeen-year-old, meets Johnny, a dashing hotel dance instructor at Kellermans Catskills resort. Its passionate story line and alluring dance numbers made the film a box-office hit and pop-culture phenomenon. Though the film launched the careers of stars Patrick Swayze and Jennifer Grey, and won an Academy Award, a Golden Globe, a Grammy Award, and an Independent Spirit Award, it is best known for being an undeniably loved, oft-quoted piece of American cinematic history. With the recent passing of Patrick Swayze, the twenty-fifth anniversary of the film takes on a new meaning and poignancy. This official celebration of the film, the stars, and the time is a must-have for any of the millions of people who love the film.
