**Terry Nation : Doctor Who-The Daleks: Script (Doctor Who: The Scripts)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Doctor Who-The Daleks: Script (Doctor Who: The Scripts):

0 of 1 people found the following review helpful. When the Daleks first appeared...By Michael ValdivielsoThis book is the script to the first story arch that included the Daleks. With background and technical information this would be a great book if you are just getting into the Daleks. But if you are already a fan, and already have books and CDs and DVDs on them, you may already have a copy of the script.

A script from the BBC TV series "Dr Who", together with additional production information.
