Andy Glynne : Documentaries: And How to Make Them before purchasing it in order to gage whether or not it would be worth my time, and all praised Documentaries: And How to Make Them:

Currently one of the most popular film and TV genres due to the success of Michael Moore, Supersize Me, and March of the Penguins, documentaries and the process of creating them are subjected to scrutiny in this guide, which comes with a bonus DVD featuring three award-winning documentaries discussed as case studies. Fans of the genre will enjoy a history of the art form and interviews with industry insiders and award-winning filmmakers who contribute

their tips, tricks, and advice. Aspiring filmmakers will find advice covering the whole production process from developing a concept to marketing and distribution. Details on the full range of current film festivals are also included.

"Funny, insightful and realistic." Library Journal
