Jack C. Ellis : Documentary Idea, The: A Critical History of English-Language Documentary Film and Video before purchasing it in order to gauge whether or not it would be worth my time, and all praised Documentary Idea, The: A Critical History of English-Language Documentary Film and Video:

1 of 6 people found the following review helpful. and now for something completely different...By Leonard Macaluso... i haven't read this Jack A. Ellis book, but... i have read his textbook "A History of Film" -- an outstanding, seemingly all-encompassing tome which has changed my life -- for the enrichment of it... based on that alone, i'd highly recommend the present work in question with the sad admission that at this time i have too much on my plate anon to add to it and must forego a forage into documentaries for now... time...

From the Back Cover This survey of documentary from the 1920s to the present is concerned mainly with its development in Great Britain, the United States, and Canada. This survey of documentary from the 1920s to the present is concerned with its development in Great Britain, The U.S. and Canada. Characteristics associated with
