Casi excelenteBy lpcmHay ciertas partes del libro digital que no reflejan lo que est en el libro impreso, por ejemplo en el libro impreso hay lineas que se escriben entre corchetes y pegados hacia la derecha para expresar lo que est haciendo alguno de los personajes antes de continuar hablando. En el libro digital estos textos aparecen sin corchetes y mezclados entre los textos de los personajes, lo cual confunde a quienes no conocen cmo estaba escrito el libro original.Lo que me pareci excelente es el diccionario en linea que maneja Kindle. Tremenda ayuda para no tener que salir del aplicativo para buscar conceptos.0 of 0 people found the following review helpful.
