She tells her story how it was ...By aidaWth this book is on sale now? I literally bought it a week ago You'll find few grammatical errors throughout the book but overall I think it was a good read. She tells her story how it was for her. I don't feel that she is playing the victim now or that she regrets her time at the playboy mansion. Many of the ladies that lived in the mansion including Crystal Hefner said there were several curfews 6pm some days and 9pm other days, the schedule, the sex routine, etc. I mean he was running a tight ship. A little extreme but I guess he needed to draw the line somewhere, he gave these women free room and board, money to go shopping, he expected sex and commitment back from them. Gross!!! But seriously, Holly was looking to be famous and thought using playboy was going to get her there and it did. Pretty degrading life style but again she says it how it is. Hef told her she was going go be nothing after she left the mansion and that she was going to come back to him. But thankfully for her that never happened but it did happened to Crystal, after cancelling her wedding to Hef she went back to him a year later. I think it is good read, the book could've ended sooner though. I feel like the last three chapters were dragging but overall it was a good read.0 of 0 people found the following review helpful. Easy read and funBy Christin BaggettI chose this book for a fun easy read. I used to watch Holly's World and Girls Next Door and always wondered what happened to the stars. Now, I know.0 of 0 people found the following review helpful. ... bombshell - and I think she is actually quite intelligent. Well done Holly on escaping the trap that ...By CustomerI think Holly is not your normal blonde bombshell - and I think she is actually quite intelligent. Well done Holly on escaping the trap that was the Playboy Mansion!!

Lost in Wonderland . . . A fairy-tale dream that became a nightmare, and a woman whose strength helped her find a way out to the other sideAt 21, small-town Oregon girl Holly Cullen became Holly Madison, Hugh Hefners number one girlfriend. But like Alices journey into Wonderland, Hollys plunge down the rabbit hole took her to a world where all was not as it seemed. The fairy-tale life inside the Playboy Mansionwhich included A-list celebrity parties and starring in a number one television showquickly devolved into an oppressive routine of strict rules, manipulation, and battles with ambitious, backstabbing Bunnies that nearly drove Holly to take her own life.Down the Rabbit Hole is her introspective account of her time inside the Mansion: the drugs, abuse, infamous parties, and Hollys real behind-the-scenes life with Bridget, Kendra, and Mr. Playboy himself. It is also her chronicle of healing and hope. By telling her story, both a cautionary tale and a celebration of personal empowerment, Holly reminds us of the importance of fighting for our dreamsand of finding the life we deserve.

Fascinating. (AV Club)Reads like a celebrity memoir infused with *The Bell Jar* and *Going Clear*. (Buzzfeed)About the AuthorHolly Madison is the author of the #1 New York Times bestselling memoir *Down the Rabbit Hole*. She spent five seasons on the #1 rated E! hit reality show *The Girls Next Door* before starring in her own hit E! series, *Hollys World*. Holly divides her time between Los Angeles and Las Vegas with her husband and daughter.
