William Goldman, Lawrence Kasdan : Dreamcatcher: The Shooting Script (Newmarket Shooting Script)

before purchasing it in order to gage whether or not it would be worth my time, and all praised Dreamcatcher: The Shooting Script (Newmarket Shooting Script):

0 of 0 people found the following review helpful. A superb resource that teaches by exampleBy Midwest Book ReviewDreamcatcher: The Shooting Script is a unique book that presents the William Goldman and Lawrence Kasdan collaborative film script of the movie "Dreamcatcher", along with an extensive commentary describing how Stephen King's popular horror novel was successfully adapted to the silver screen. A superb resource that teaches by example the tips, tricks, and techniques of professional screen writers, Dreamcatcher: The Shooting Script is a welcome

addition to personal, professional, and film school resource collections and reference archives.
