It's three in the morning . . . You've had a few drinksokay, more than a fewand all that alcohol's left you buzzed, beat, and vaguely nauseated. What now?Instead of knocking back another round, downing a bunch of ramen, or placing an ill-advised call to an ex flame, try something a bit more old-school. Scribble in this doodle book, just like you did in kindergarten. You'll find all your worksheet favorites, including word scrambles; doodle pages; spot-the-difference; crosswords; cut-outs; connect the dots; and lots more.All you need is a sharp pencil and your booze-dulled brain.
