**From Brand: Austrian Film Museum : Dziga Vertov: The Vertov Collection at the Austrian Film Museum (Austrian Film Museum Books)** before purchasing it in order to gage whether or not it would be worth my time, and all praised Dziga Vertov: The Vertov Collection at the Austrian Film Museum (Austrian Film Museum Books):

For the Russian filmmaker and film theorist Dziga Vertov (1896-1954), cinema was both a bold aesthetic experiment and a document of contemporary life. This English/German bilingual catalogue includes films, photographs, posters, letters and a large number of previously unpublished sketches, drawings, and writings.

An extraordinary collection of writings by and about Dziga Vertov. (Graham Roberts Russian )
