Darrell Davis, Emilie Yueh-yu Yeh : East Asian Screen Industries (International Screen Industries) before purchasing it in order to gauge whether or not it would be worth my time, and all praised East Asian Screen Industries (International Screen Industries):

East Asian Screen Industries is a guide to the film industries of Japan, South Korea, Taiwan, Hong Kong and the PRC. The authors examine how local production has responded to global trends and explore the effects of widespread deregulation and China's accession to the World Trade Organisation.

About the Author Darrell William Davis is a Senior Lecturer at the School of Media Film, UNSW. Emilie Yueh-yu Yeh is Associate Professor, Cinema-TV, Hong Kong Baptist University.
