From Sylvan Barnet Morton Berman William Burton : **Eight Great Comedies: The Complete Texts of the World's Great Comedies from Ancient Times to the Twentieth Century** before purchasing it in order to gage whether or not it would be worth my time, and all praised Eight Great Comedies: The Complete Texts of the World's

Great Comedies from Ancient Times to the Twentieth Century:

1 of 1 people found the following review helpful. The printing of this book is cheap as it gets ...By kgThe printing of this book is cheap as it gets. The thickness in ink will be unapologetically bold on the left page, standard on the right, and often times it causes the ink to be visible on the opposite side of the page. It's honestly just way too difficult to read. The footnotes also leave plenty to be desired as well. Maybe I'm just spoiled by Norton, but I found a lot of the notes to be sparse and sometimes inaccurate.1 of 1 people found the following review helpful. A must have!By Rev4uIf you love classic comedies, this is the book to have. It contains the wonderful work of some of the greatest comedies of ancient times to the twentieth century. The book starts with Aristophanes's "The clouds," to Machiavelli's "Mandragola," Shakespeare's "Twelfth Night," Moliere's "The Miser," John Gay's "The Beggar's Opera," to Oscar wilde's "the Importance of being Earnest", Anton Chekhov's "Uncle Vanya," and ends with George Bernard Shaw's "Arms and the Man."This book is a pleasure to read and a treasure to keep.0 of 0 people found the following review helpful. a great resourceBy Kathryn YoungdahlI was looking for material for Vermont's high school one act festival, and this collection reminded me of some classic texts I'd long forgotten. All of the great elements of comedy are contained in these works. A wonderful read.

"A remarkably rich and stimulating volume...A unique blending of emotional and intellectual experience."Los Angeles TimesHere in one volume are the complete texts of eight of the world's greatest plays, masterful examples of the comic view of life in drama. This outstanding treasury of great reading includes the bawdy humor of Machiavelli's Mandragola; the poignant, searching wit of Chekhov's Uncle Vanya; the ironic social comment of Shaw's Arms and the Man; and five other influential works, including a new translation of Molire's satire The Miser, which the editors have prepared especially for this book. Accompanied by provocative essays that define and explore the spirit, structure, and meaning of comedy, this unique volume is an ideal companion to the editors' Eight Great Tragedies.

"A remarkably rich and stimulating volume...A unique blending of emotional and intellectual experience."Los Angeles TimesAbout the AuthorSylvan Barnet wrote numerous texts analyzing the works of Shakespeare as well as the writing craft. He was the general editor for Signet Classics Shakespeare as well as professor emeritus at Tufts University. He died in 2016. Morton Berman is professor emeritus of English as Boston University. William Burto served as the chair of the Department of English as Lowell State College, which became University of Massachusetts-Lowell. He wrote several texts focusing on the poetry of Shakespeare. He died in 2013.
