It comes in a nice slip cover and has lots of excellent pictures both behind the scenes and actual shots from the movie itself. I was hesitant to buy this for the price, but now that I have it, I am so glad I did.1 of 1 people found the following review helpful. A good screenplayBy Marisol Genoud MuroAlthough i realized i've had purchased a screenplay when i recieved it i thought is was good and it is nice to see pictures and read the director's notes about making the movie, really interesting0 of 0 people found the following review helpful. One of my Best MovieBy F. FILIPPOThe story and the music is a perfect mixing and Cameron Crowe is a great director!Beautiful places and nostalgic..

Beautiful oversize book produced solely for publicity purposes. In a cool Vinyl Films Plastic slipcase. New, New-Still Factory Sealed.
