IF YOU HAVE SEEN THESE MOVIES THE BOOK IS A REMINDER OF WHAT THE MOVIE WAS ABOUT AND WHO ALSO STARRED IN IT. MANY OF THE KING'S SONGS ORIGINATED FROM THE MOVIES HE MADE. THE BOOK ALSO CONTAINS SOME BIO FACTS AND SOME GREAT PHOTOS. THE KINGS'S LOVE LIFE WITH PRISCILLA IS ALSO DISCUSSED ALONG WITH HIS ROMANCES WITH HIS LEADING LADIES. I ALSO DISCOVERED MOVIES THAT I HAVE NOT SEEN SO IT OPENED THE DOOR FOR MORE MOVIE WATCHING. THIS IS A FUN BOOK AND A MUST READ FOR ALL ELVIS FANS.11 of 12 people found the following review helpful. Kitschy king at the moviesBy A CustomerThe king's kitschy side almost consumed him when he got to Hollywood, but I still love the tunes and the the constantly silly scenes that the movies are thick with. This is the funnest Elvis movie book that I have seen. All the movies are covered with official stills, movie set shots, and posters. The CD that's included has the best songs from the movies and the text lets you know that there are many more where those came from. There are also behind the scenes comments from co-stars, directors and producers that offer interesting and amusing insights into a under appreciated side of Elvis.

Illustrated throughout with movie posters, film stills, and candid behind-the-scenes photos of the King, this work is a blockbuster celebration of Elvis Presley's movies. It includes a full description of each of Elvis's movies, quotes from some of the King's most famous co-stars, excerpts from critics' reviews of many of his films, tales of his affairs with some of the most desirable women in the world, and a CD packed with 15 of his greatest soundtrack recordings. 150 illustrations, many in color.
