DOUGLAS JARVIS : Encyclopedia Of Film Stars before purchasing it in order to gage whether or not it would be worth my time, and all praised Encyclopedia Of Film Stars:

Some of the pages were missing then. The one I ordered online was in excellent shape. I experienced the past relived, and I must say that this book is a timeless classic. Stars from Lillian Gish to Veronica Lake, and even from Montgomery Clift to Goldie Hawn make this a prime read for any movie star buff (and, if there ever was one, trust me, I would be him!). I give it more than five stars, and would definitely put my personal stamp of approval on it.0 of 0 people found the following review helpful. **THIS BOOK IS EXCELLENT!!!**...By J.
