Paul Green, Foreword by Mike Hoffman : Encyclopedia of Weird Westerns: Supernatural and Science Fiction Elements in Novels, Pulp, Comics, Films, Television and Games before purchasing it in order to gage whether or not it would be worth my time, and all praised Encyclopedia of Weird Westerns: Supernatural and Science Fiction Elements in Novels, Pulp, Comics, Films, Television and Games:

0 of 0 people found the following review helpful. It's fun and pretty in depthBy Charlie BenzIf you want to catch up

on some Weird Westerns, you should check out this book then. It's fun and pretty in depth. Not much else to say besides that this might not be too appropriate for kids.0 of 0 people found the following review helpful. lots of useful informationBy Robert E. VardemanWhile it is Impossible to be completely comprehensive, more written sources would have been appreciated. There are any number of series titles that would make good additions. Slocum and the Invaders, Lone Star and the Kansas Wolves, Slocum and the Dead Man's Spurs, etc.0 of 0 people found the following review helpful. interesting readBy melmojaresthis book is quite fascinating, having a list of programs and movies that has had the genre of westerns mixed in with other very contrasting genres and ideas. if you want to increase you knowledge in film, this is a nice thing to have to discover some material you've never heard of before

From automatons to zombies, many fantastic elements have been cross-pollinated with the western genre. This A-to-Z encyclopedia of the Weird Western covers film, television, animation, dime novels, pulp fiction, comic books, novels, short stories and video and role-playing games.

"a useful and entertaining guide to the mind-bending and genre-blending world that resides outside the mainstream..." --Wild West History Journal"All-encompassing coverage...a stunning amount of research...Green has done the Western genre a great service." --True West"This unique volume covers ground that has generally eluded researchers." --Starlog"In the extraordinarily useful and detailed Encyclopedia of Weird Westerns, Green identifies horrific and supernatural departures and twists over the last 150 years of the Western...Green's Encyclopedia covers considerable ground...it is certainly deserving of recognition." --Ray Merlock, University of South Carolina Upstate, The Journal of American CultureAbout the AuthorPaul Green is a biographer specializing in film and television history. He lives in Rustburg, Virginia.
