Jonathan Rigby : English Gothic before purchasing it in order to gauge whether or not it would be worth my time, and all praised English Gothic:

11 of 11 people found the following review helpful. A THOROUGHLY RESEARCHED CELEBRATION OF THE HORROR FILM! By RANDEL For horror film buffs, this book is a real treat! It is thoroughly researched and clearly written from the perspective of a genuine fan of the genre. My only caveat is that (for us elder statesmen) the print is often VERY small.] 1 of 2 people found the following review helpful. Very good but reads more like a critical study of art. By James C Girasa I don't post a lot of reviews for books like I do with movies. I'm giving this 4 stars but with reservations. I really wanted to give it 3. I own plenty of books on horror and science fiction films. The book is very well put together and has a lot of facts. In that sense it is a 5 star book. My problem with it is the way the author expresses himself. I feel like that every review by the author is that of an art critic viewing art. If you ever listened to a group of art critics expressing themselves about a painting then you will know what I am talking about. It's gets to be a

boring read. It's not really a critical review the way you normally see movies being criticized. On the other hand if you like that sort of expressiveness....well then this book is for you. The author is obviously an intellectual and well-read and that is a good thing. But if you want something more down to earth then go elsewhere. 0 of 0 people found the following review helpful. Five Stars By Customer Exhaustive brilliant work.

English Gothic was the first book to trace horror cinema from the 1890s right through to the end of the 20th century. Now it comes complete with an assessment of the remarkable renaissance enjoyed by British horror in the 21st century. This deluxe new hardback edition features a comprehensive section on television horror, a foreword by genre star Barbara Shelley and a wealth of new illustrations.

About the Author Jonathan Rigby is the author of English Gothic and American Gothic, two of the most highly regarded books on horror films published in the last 20 years. Jonathan's other books include Christopher Lee: The Authorised Screen History and Roxy Music: Both Ends Burning.
