**William B. Parrill : European Silent Films on Video: A Critical Guide** before purchasing it in order to gage whether or not it would be worth my time, and all praised European Silent Films on Video: A Critical Guide:

This book is a critical encyclopedia of silent European films currently available on DVD, laser disc, and VHS. It provides concise and accurate summaries of the films, evaluates the quality of the prints, discusses the changing reputations of both films and filmmakers, and considers how the techniques developed during the silent period

continue to influence filmmaking today. The book cites contemporary and recent criticism of the films and includes an extensive bibliography as well as a list of films by director. Numerous photos are also included.

"magnificent" --Advocate  
About the Author William B. Parrill is an Emeritus professor of English and Communication at Southeastern Louisiana University. He is a founding editor of the journal *Louisiana Literature* and has written extensively on films and contemporary literature.
