Nat Segaloff : Everything Tall Tales Legends Other Outrageous Lies (Everything (Reference)) before purchasing it in order to gage whether or not it would be worth my time, and all praised Everything Tall Tales Legends Other Outrageous Lies (Everything (Reference)):

0 of 0 people found the following review helpful. LIES/TRUTH?.By Kevin W. KunzLiar Liar This book tells one about the story behind"the lies", we may have thought to be true. This book is fun to read. For example. "Paul Bunyan". was an ad for aLumber Company. One must keep in mine that this book is in fun. There is nothing to getup-tight about. I take fun over up-tight any day!. "liar Liar" is fun. It is about a guy who tells lies. And, is made/force to tell the truth.1 of 1 people found the following review helpful. Really Interesting!By Rebecca HendersonReally a great can't put down book full of interesting tidbits of information. At least for me, it was full of things I'd always wondered about. Great book!0 of 0 people found the following review helpful. VERY FUNNY READINGBy Luis Felipe Tenorio DelgadoThat's the best of this book: the ellegant humour through every page. You can't avoid a smile now and then and this makes the reading a real pleasure. As for the content... well, it is very illustrative in some spots, and it's been very well picked up. But in some points it didn't refer explicitly to some real origin of the tale (this is specially

true for the Urban Legends)and the hypothesis on those issues are kind of vacue. Nevertheless, is a very nice reading for a quiet weekend.

Everyone has heard a story too outrageous to be true. The Everything Tall Tales, Legends, and Other Outrageous Lies Book explains how these popular misconceptions began. Inside this fascinating book, you will be entertained by the truth behind some of our favorite stories, from the real models for mythical heroes like Paul Bunyan, to the source for urban legends like the alligators in the sewers of New York City. Packed with fascinating explanations of popular untruths and half-truths, this book will please anyone looking for great trivia and the real stories behind American folklore. It features: Internet hoaxes, such as the e-mail tax and the Good Times virus Modern urban legends, such as the Hitler diaries and the Roswell incident Entertainment intrigues - from the suicide of George reeves, the actor who played Superman, to Elvis sightings Consumer frauds, such as pyramid schemes and stock swindles Folk tales about heroes such as Johnny Appleseed and John Henry And much, much more!

About the AuthorNat Segaloff is a writer, producer, and director who has worked for USA Networks, Turner Classic Movies, Disney, and The Learning Channel. He has written eight books, including The Everything Etiquette Book and The Everything Trivia Book. He lives in Los Angeles, California.
