Dan Taylor : Exploitation Retrospect 52: The Journal of Junk Culture and Fringe Media before purchasing it in order to gage whether or not it would be worth my time, and all praised Exploitation Retrospect 52: The Journal of Junk Culture and Fringe Media:

3 of 3 people found the following review helpful. Still going strong at Issue # 52. By Fred Adelman Another great issue by Dan Taylor and his stable of writers. Articles include Volume 13 - 15 of Impulse/Synape's Nikkatsu erotic films collection; A look at W.A.V.E. Productions (remember them?), who would turn your screenplay or idea into a film; an article on Nazi zombie films; A very well-written article on men's series crime novels, some of which were made into movies (DIRTY HARRY; REMO WILLIAMS), especially THE DESTROYER series of books (Over 150 so far!), none which were made into films; a bunch of genre film reviews; a look at Burt Lancaster action films (which they call "Lancasterploitation", which I hope never catches on) and still even more reviews. Dan has been publishing this zine since 1986, yet he still has information that every genre film fanatic should read. A must for any fan of strange cinema. 1 of 1 people found the following review helpful. Tons of great information on the Destroyer series franchise! By Sonja Mull Amazing gem! Very well researched retrospective on not only the Destroyer series of book, but on the genre of men's adventure books. Very well written movie reviews that reminded of the Video Watchdog reviews from the 90s. I just discovered this magazine and wish I had all the back issues to read! I highly recommend it! 1 of 1 people found the following review helpful. Four Stars By Seth Schorr I enjoyed reading the info it offered.

The Journal of Junk Culture and Fringe Media returns with a look at men's action novels including The Destroyer, Dirty Harry and Ninja Master as well as articles on Nikkatsu Erotic Cinema, Nazi Zombie Flicks, Burt Lancaster and WAVE Productions. Plus, a huge DVD review section includes the best (and worst) in sci-fi, action, horror and sleazy trash sinema.
