Good BookBy mortalabsintheProduct was described accurately. The book was good, not great. In the plot, it felt like there was something missing. I wanted more than what I got from the story.

Great visuals. I love the fact that it provided the original short story after the screenplay. 0 of 0 people found the following review helpful. Three StarsBy gilBook was a little shabby but I am satisfied.

Dream Story...is a sensual tale that explores the subconscious, forbidden desires of a husband and wife, in both their dreams and fantasies and their increasingly daring sexual adventures. Ahead of its time and marked by the deep influence of the author's contemporary, Sigmund Freud, Schnitzler's novel has become a modernist classic. In this volume the original story's themes of depravity and the elusive ambiguity of dream and reality can be compared to Kubrick's own transforming vision -- in the film that has become the culminating achievement of his career...
