The lines are closer together than on many notebooks and I love it, as I have small handwriting. As soon as I saw Newt's journal in the movie, I wanted one like it and this is it!0 of 0 people found the following review helpful. Good for journalBy sirenfire33It is great to start a daily journal. So that is what I use it for. It's great.0 of 0 people found the following review helpful. Love itBy NikkiGreat book, my son has been filling out about animals. Made very well.

Record your own magical journey with this Fantastic Beasts and Where to Find Them-themed writing journal.Fantastic Beasts and Where to Find Them follows Magizoologist Newt Scamander as he has just completed a global excursion to find and document an extraordinary array of magical creatures. Designed to resemble Newt's notebook as seen in the film, this journal is emblazoned with Newt's signature logo and celebrates the exquisite art and design of Fantastic Beasts and Where to Find Them, making it a must-have for fans of J.K. Rowling's Wizarding World. With sturdy construction and a sewn binding, this journal lies flat, and the 192 lined, acid-free pages of high-quality, heavy stock paper take both pen and pencil nicely to encourage inspiration. The journal also features a ribbon placeholder, elastic closure, and 7.5 x 4.5inch back pocket, ideal for holding photographs and sketches.
