Ted!By LeslieEpisodes of Father Ted move so quickly you're still laughing at one line when another is rolled out. Reading the scripts from Father Ted let me enjoy every line written and hear what the writers thought about each episode. A must buy for any Father Ted fan!

Since they were banished to a remote island off the coast of Ireland because of mysterious clerical misdeeds, Father Ted Crilly, Father Dougal McGuire, Father Jack Hackett and their housekeeper Mrs Doyle have been entertaining countless Channel 4 viewers. While Ted dreams of a more high-class parish, Dougal attempts to grasp complex theological issues between games of Cluedo, Jack shouts 'Drink! Feck! Arse! Girls!' with little or no provocation and Mrs Doyle does her best to give Irish friendliness and hospitality a bad name. "Father Ted: The Complete Scripts" is, uniquely, a collection of late, but not final drafts - jokes, characters and scenes that didn't make it into the series are here, along with an introduction to each episode by the authors, which explains how the insane plot lines arose. So whether you're a fan of the show, or simply interested in how a comedy program makes the final leap from page to screen, this book is all you'll need.
