Peter S. Larkin : Favorite Internet Humor before purchasing it in order to gage whether or not it would be worth my time, and all praised Favorite Internet Humor:

0 of 0 people found the following review helpful. Spendid, funny bookBy Andrew KilpatrickPete Larkin's compilation about humor from cyberspace offers great fun about beer, blondes, sex, bumper stickers and much more. Hear this about beer from Ben Franklin: "Beer is proof that God loves us and wants us to be happy." Heard the one about the two Arkansas blondes sitting on a beach talking? One said to the other, "Which do you think is farther away, Florida

or the moon?" The other blonde replies, "Helloooooooo, can you see Florida?" Favorite Internet Humor is a 5-star wonderful read. Enjoy!

Selected internet humor, 1998 to 2008. Blonde, lawyer medical jokes. Celebrity quotes, puns, proverbs, daffy-nitions, senior citizens, bumper stickers, and much more.

About the Author Peter Larkin is a retired school psychologist who believes in the therapeutic power of laughter. He has collected e mail jokes from the dawn of the Internet to date, and plans to continue collecting them as long as his online friends send them.
