Teacher Created Materials; Jessica Cohn : Fearless! Stunt People before purchasing it in order to gauge whether or not it would be worth my time, and all praised Fearless! Stunt People:

When stunt performers go to work, they make dangerous feats look fun and easy, but there is a lot of risk behind this profession. Explore what stunt people do to prepare and keep themselves safe for a truly unique profession. Readers

will be introduced to a brief history of stunt performance as well as the latest tips and tricks, including stunt driving, professional fighting, and even digital effects such as computer-generated imagery and are encouraged to explore college majors and areas of study are recommended to become a stunt person. With thrilling language and stunning images in conjunction with informational text, a useful glossary, and an interview with a real-life stunt-man, readers are sure to be fascinated and stimulated from cover to cover!About Shell Education Rachelle Cracchiolo started the company with a friend and fellow teacher. Both were eager to share their ideas and passion for education with other classroom leaders. What began as a hobby, selling lesson plans to local stores, became a part-time job after a full day of teaching, and eventually blossomed into Teacher Created Materials. The story continued in 2004 with the launch of Shell Education and the introduction of professional resources and classroom application books designed to support Teacher Created Materials curriculum resources. Today, Teacher Created Materials and Shell Education are two of the most recognized names in educational publishing around the world.
