August Wilson : Fences (Movie tie-in) before purchasing it in order to gage whether or not it would be worth my time, and all praised Fences (Movie tie-in):

Now a Major Motion Picture directed by Denzel Washington, and starring Denzel Washington and Viola Davis (winner of the Academy Award and Golden Globe for her role) Winner of the Pulitzer Prize for Drama and the Tony

Award for Best Play "In his work, Mr. Wilson depicted the struggles of black Americans with uncommon lyrical richness, theatrical density and emotional heft, in plays that give vivid voices to people on the frayed margins of life."The New York TimesFrom legendary playwright August Wilson, the powerful, stunning dramatic work that won him critical acclaim, including the Tony Award for Best Play and the Pulitzer Prize.Troy Maxson is a strong man, a hard man. He has had to be to survive. Troy Maxson has gone through life in an America where to be proud and black is to face pressures that could crush a man, body and soul. But the 1950s are yielding to the new spirit of liberation in the 1960s, a spirit that is changing the world Troy Maxson has learned to deal with the only way he can, a spirit that is making him a stranger, angry and afraid, in a world he never knew and to a wife and son he understands less and less.Denzel Washingtons film adaptation received nominations for awards from the Academy Awards, African-American Film Critics Association, American Film Institute, Critics' Choice Movie Awards, Golden Globe Awards, and NAACP Image Awards, among others.
