**From Yvonne Tasker : Fifty Hollywood Directors (Routledge Key Guides)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Fifty Hollywood Directors (Routledge Key Guides):

0 of 1 people found the following review helpful. A book that fills a need. By from Los Angeles Gives you a new perspective on familiar names and introduces you to unfamiliar ones you should know. A well thought out compilation. Excellent!

Fifty Hollywood Directors introduces the most important, iconic and influential filmmakers who worked in Hollywood between the end of the silent period and the birth of the blockbuster. By exploring the historical, cultural and technological contexts in which each director was working, this book traces the formative period in commercial cinema when directors went from pioneers to industry heavyweights. Each entry discusses a directors practices and body of work and features a brief biography and suggestions for further reading. Entries include: Frank Capra Cecil B DeMille John Ford Alfred Hitchcock Fritz Lang Orson Welles DW Griffith King Vidor This is an indispensable guide for anyone interested in film history, Hollywood and the development of the role of the director.

"This work introduces 50 important and influential Hollywood filmmakers from the period between the end of the silent era and the ascent of blockbuster film... The work will help readers better understand the key developments in Hollywood film history by identifying the collaborative relationships, the enduring legacy of the director's role, and the far-reaching influence of these talented individuals." - L.
