From W. W. Norton Company : Film Analysis: A Norton Reader (Second Edition) before purchasing it in order to gage whether or not it would be worth my time, and all praised Film Analysis: A Norton Reader (Second Edition):

0 of 0 people found the following review helpful. Film Analysis: A Norton Reader (SecondBy CustomerCovers many films and is required for college course.0 of 0 people found the following review helpful. Five StarsBy Pika-pikaCame perfect, with all the feathers. Is exactly the same as the picture.0 of 0 people found the following review helpful. Actually enjoyed reading itBy abferroWas a textbook for one of my classes. Actually enjoyed reading it. Interesting.

Fifty essays on fifty films by a who's-who of film studies. *Film Analysis* offers concise analyses of fifty diverse and historically significant films each written exclusively for the text by a leading scholar. Written with the undergraduate in mind, the essays are clear, readable, and great models for students to follow in helping them to hone their own writing. The Second Edition includes six new essays, a new, detailed guide to writing film analysis, and an extensive, up-to-date glossary of critical film terms.

I have just read, slowly and with great pleasure, straight through and in sequence, the Norton reader on film analysis, and this is a report on the experience. ... the great theme of the book, it seems to me when I try to see it all together, is not the quest for meaning or the avoidance of essentialism ... It is what we might think of as an unsettled theory, the question of what is real in a film, what is ordinary, what 'escape' means, and what work our fantasies are doing in the cinema. -- Michael Wood, *Film Quarterly* (review of first edition)

About the Author Jeffrey Geiger (Ph.D., University of California, Los Angeles) teaches at the University of Essex, where he established the Centre for Film Studies. He is the author of *Facing the Pacific: Polynesia and the U.S. Imperial Imagination* (2007) and *American Documentary Film: Projecting the Nation* (2011). He has co-edited, with Karin Littau, *Cinematicity in Media History* (2013).

R. L. Rutsky (Ph.D., University of California, Los Angeles) teaches in the Cinema Department at San Francisco State University. He is the author of *High Techn: Art and Technology from the Machine Aesthetic to the Posthuman* (1999), and co-editor of *Strategies for Theory: From Marx to Madonna* (2003) and *Consumption in an Age of Information* (2005).
