**Robert T. Eberwein : Film and the Dream Screen: A Sleep and a Forgetting (Princeton Legacy Library)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Film and the Dream Screen: A Sleep and a Forgetting (Princeton Legacy Library):

Robert T. Eberwein uses a hypothesis from psychoanalytic theory to explore the frequently noticed similarity between dreaming and watching a film. His comprehensive study of the relationship between films and dreams explains the film screen as a psychic structure. Originally published in 1984. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These paperback editions preserve the original texts of these important books while presenting them in durable paperback editions. The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.
