**H. G. Wells, M. J. Elliott : H. G. Wells's The War of the Worlds: A Radio Dramatization (Colonial Radio Theatre on the Air)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised H. G. Wells's The War of the Worlds: A Radio Dramatization (Colonial Radio Theatre on the Air):

1 of 1 people found the following review helpful. A TERRIFIC AND FAITHFUL ADAPTATION!By Joseph Baneth AllenJust finished listening to "The War Of The Worlds" released by The Colonial Radio Theatre on Brilliance Audio.Although I have never had the pleasure of meeting Jerry Robbins in person, he and I are friends here on Facebook - as readers of my reviews know, I do reveal when I am friends with the directors/actors/musicians, ect...here on Facebook..With it's adaptation of "The War Of The Worlds" the Colonial Radio Theatre has created a faithful and scary dramatization of H.G. Wells' classic tale of alien invasion complete with its grimness and moments of light comedy when polite British Society so casually deals with the idea of Martians arriving on Earth for unknown purposes.Very compelling listening!HIGHLY RECOMMENDED!10 STARS!2 of 2 people found the following review helpful. Reminds me of original.By shaneColonial Radio really did a great job with this. It reminds me so much of the original and not the remake. This sounds great. Great job Colonial Radio Theater. Keep up the great work.0 of 1 people found the following review helpful. Five StarsBy MikeGreat book on CD

Audie Award Finalist2014With a full cast and thousands of sound effects, the award winning Colonial Radio Theatre is proud to present this faithful adaptation of the greatest science fiction novel of all kind, The War of the Worlds. A capsule crashes to Earth in the heart of Victorian England, its planet of origin: Mars. What no-one can foresee is that this is only the beginning of a massive invasion that will see humanity tested as never before. Based on H.G. Wells's groundbreaking novel, The War of the Worlds is as compelling a tale today as it was when the story was first published in 1898.
