A very interesting no trump defenseBy M. L. GrahamThe book presents a very original (at least to me) no trump defence.It is based on transfer overcalls and their responses. I have not tried it yet in play, but it merits an honest trial in real competition.

The answer to your prayers - a simple, effective convention for competing over the opponents' 1NT opening bid! Originally self-published in 1996, the first edition sold out quickly, so that this much sought-after treatise has been unavailable for several years. The book describes how the convention works, and how to use it against various ranges of 1NT opening bids, as well as over strong 1 Club openings. Jerry Helms (Charlotte, NC) is both a top-level professional player, with numerous tournament successes to his credit, and one of America's leading bridge teachers.
