My only gripe is it doesn't talk about the Barrow Mounds, where you'll finally be able to recruit Ghosts (in the original HoMM2, you couldn't recruit them--the only way to have them in your armies is to use the custom map editor). But it's still good.0 of 0 people found the following review helpful. A complete guide!By David Costa dos SantosI really liked this guide, it explains every detail about the game (not only the expansion pack) in a easy language. I just expected to see more illustrated pages, but this can't be considered as a

bad point. If you are stuck in some scenario of "The Price Of Loyalty" and want to know how to be a master in "Heroes Of Might And Magic II", then buy this guide!
