These are a few of my favorite tunes... to paraphrase the lyric By Edward Alexander Gerster So I grew up with this music, and played recorder for about 45+ years now. I bought this to teach a child some of the tunes, and it is pretty good. The only problem is that there is no way to play one or two of the notes in "The Sound of Music" itself, unless someone knows a trick to play low B on a soprano or tenor recorder... Songs are probably best for an intermediate player. 0 of 0 people found the following review helpful. Five Stars By Sandra J.
