**Arthur Bunyan Caldwell : History of the American Negro and His Institutions, Volume 5** before purchasing it in order to gauge whether or not it would be worth my time, and all praised History of the American Negro and His Institutions, Volume 5:

2 of 2 people found the following review helpful. Not Happy With ThisBy ReddStealthI purchased this book for a dear friend, who used to have the original version. He has some family member's pictures in the original version, but this updated version did not include them. We were both disappointed of course. This particular version had lots of errors in it. Pages repeated themselves, and families were omitted that used to be in the original version. This book was very unprofessionally published.1 of 1 people found the following review helpful. Really poor quality printingBy LcadePhotos were hard to see, many duplicates, poor writing. Very disappointed, not what I expected for the price Read the fine print.0 of 0 people found the following review helpful. Great.By BeWanda AlexanderThis just what I

wanted. I received the History of the American Negro and his Institutions book as promised and in new condition.

This book was originally published prior to 1923, and represents a reproduction of an important historical work, maintaining the same format as the original work. While some publishers have opted to apply OCR (optical character recognition) technology to the process, we believe this leads to sub-optimal results (frequent typographical errors, strange characters and confusing formatting) and does not adequately preserve the historical character of the original artifact. We believe this work is culturally important in its original archival form. While we strive to adequately clean and digitally enhance the original work, there are occasionally instances where imperfections such as blurred or missing pages, poor pictures or errant marks may have been introduced due to either the quality of the original work or the scanning process itself. Despite these occasional imperfections, we have brought it back into print as part of our ongoing global book preservation commitment, providing customers with access to the best possible historical reprints. We appreciate your understanding of these occasional imperfections, and sincerely hope you enjoy seeing the book in a format as close as possible to that intended by the original publisher.
