**Michael Knight, Paul Bernardo : Hitman: Absolution: Prima Official Game Guide (Prima Official Game Guides)** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Hitman: Absolution: Prima Official Game Guide (Prima Official Game Guides):

1 of 1 people found the following review helpful. The Official Guide for Hitman Absolution for PS3. By Michael T. Crumpler This book is now hard to find outside of the internet. If you are a fan of the Hitman Series and the newest installment Absolution this resource will be invaluable. It is a step-by-step guide to everything you will need to know to play the game successfully. It does warn that even after following the guide(s) it may be necessary for the gamer to replay levels to unlock everything. Note: There is no pertinent information on the "Contracts" part of the game. This is

specifically because "Contracts" are individually created by gamers and on the system daily. But the contracts are from different levels of the game so the helps can still be very beneficial to the player. Lengthy in content it is still a valuable asset for any fan/player of the series.0 of 0 people found the following review helpful.
