Dave Stann : Hollywood Blackjack: An Uncensored Guide to Doing It Like a Pro before purchasing it in order to gage whether or not it would be worth my time, and all praised Hollywood Blackjack: An Uncensored Guide to Doing It Like a Pro:

Lacks Tournament StrategyBy Crystal XI purchased this book for information on playing blackjack tournaments. There is a brief 14 page chapter on blackjack tournaments. The chapter starts off saying that this book is not going to teach you anything about how to win a blackjack tournament, and to go "suck on it."

Unfortunately, this information was not available in the advertisement for this book. Much of the rest of the book rehashes old strategies including Basic Strategy and card counting using the High - Low system that are covered in Stanford Wong's "Professional Blackjack" book and elsewhere. 0 of 0 people found the following review helpful. Do not buy, much better available. By James O'KI wanted to learn more about how to play in blackjack tournaments. There is actually very little on blackjack tournaments in the book, and the author is kind of rude in how he addresses his readers. The book contains no new material that cannot be found elsewhere and by better players and authors - look for Wong, Uston etc.

"Hollywood Blackjack" is an uncensored guide to doing it like a pro and annihilating the casinos at their own game! With his Mensa-certified IQ and over-the-top attitude, Dave covers the technical aspects of winning at blackjack in an easy-to-understand fashion and shares his own experiences as a gambler who plays both under the casino radar and under the hot lights of Hollywood. For players and fans alike, this book takes you into, around, and inside-out the world of the multi-talented "bad boy of blackjack."

About the Author "Hollywood" Dave Stann is a professional gambler and an actor, and combines the two professions on a regular basis. He's competed in every "World Series of Blackjack" tournament; was a co-host for two seasons of GSN's "Celebrity Blackjack;" has been featured on AE's "Caesars 24/7," Travel Channel's "Vegas Challenge," and Spike TV's "King of Vegas;" and is currently part of Team UBT for CBS's "Ultimate Blackjack Tour. " Known as "the bad boy of blackjack," Dave uses psychological skill and a very loud mouth to intimidate his opponents; he is a card-carrying member of Mensa; and he has counted cards in casinos around the world both for himself and as a member of an elite blackjack team. Initially a card counter to help pay the bills between acting gigs, Dave has combined his love of gambling with his love for being in front of the cameras and is having the time of his life. In "Hollywood Blackjack," Dave instructs the reader on how to count cards as well as entertains with hilarious stories about his experiences as a counter both on- and off-camera.
