**Felix Fleming Larry L. Mendelssohn : Holy, Holy, Holy Sheet Music** before purchasing it in order to gage whether or not it would be worth my time, and all praised Holy, Holy, Holy Sheet Music:

Sheet Music Holy, Holy, Holy - SATB divisi, a cappella - Moderately Difficult - Trinity - Larry L. Mendelssohn, Felix Fleming. - Choral - Part of the National Lutheran Choir Series. This familiar setting of the Sanctus by Felix Mendelssohn is an accessible yet beautiful use of double choir and the resulting sonorities. The late Dr. Larry L. Fleming's translation is of special note in this edition, as certain vowels, pitch, and dynamics are wonderfully matched without compromising linguistic integrity in translation. It is a wonderful piece with which to bring two choirs of a parish together (or combine with a local neighboring church)?even more effective is to perform the work with some distance between the two choirs.
