1 of 1 people found the following review helpful. Pure Genius and So Much Fun!By Diana L DriverI received my copy of Hooks and Clawzes today and I already love it! There are 58 word puzzles and each one corresponds to a cozy mystery novel. I've already purchased the first novel and after I read it, I'll work the puzzle before going on to the next

book and the next puzzle. Some of the novels I've already read, but it will be fun to reread them before working the puzzle associated with that particular book. I love cozy mysteries and having a puzzle book like *Hooks and Clawzes* makes them even more fun!!!! I hope Tina Adams continues creating Word Puzzle Books for Cozy Mysteries! Diana L. Driver
