In this book you will learn where Lurch from television's "Addams Family" played college basketball, what a North Carolina Tar Heel is, and what record Frank Selvy set that may never be broken by a Division I player. Hoop Hysteria is packed with over 800 interesting facts and trivia covering almost every NCAA Division I men's basketball program. While it is a great coffee table book, Hoop Hysteria has the added feature of a trivia game built right in!

About the Author The authors, Brent Flanders, Jeff Sigler, Randy Towner and Doug Vance are avid basketball fans who would rather attend a college basketball game than be awarded a Nobel Prize in Physics.
