I love Garrison Keillor's work and I love Halloween so this is a perfect combination. The 2-CD album includes "It's been a quiet week in Lake Wobegone", songs, and Halloweeny skits.2 of 3 people found the following review helpful. Get it for "The Raven" aloneBy sallyforthI bought this to get a copy of Keillor's incredible version of "The Raven". That, alone, is worth the price of this CD. The rest of the content is a nice bonus. This is very enjoyable to listen to while waiting for the next door bell on Halloween night.1 of 1 people found the following review helpful. Good Halloween FunBy Mary L. EpsteinNot all the skits are gems, but for the most part it's a good Halloween treat.

Fear and loathing in Lake Wobegon? You betcha. Garrison Keillor's Horrors! is a grab bag of treats from Halloween broadcasts of A Prairie Home Companion. Horrors! features eclectic musical performances, commercials for loyal Prairie Home "sponsors" like Guy's Shoes, and lighthearted comedy from A Prairie Home Companion's cast of regulars.Halloween is a time when everyone's a kid again-perhaps that's why it's so eagerly celebrated by adults. Listen to Horrors! and you'll smile, you'll shiver, and you might even take a peek to see what's lurking in the shadows.
