**Gary Mullen : Horses: Amazing Facts and Trivia** before purchasing it in order to gauge whether or not it would be worth my time, and all praised Horses: Amazing Facts and Trivia:

For lovers of horses and trivia alike, this colorful book is packed with fascinating facts, from physical characteristics and folklore to safety tips and horse-care musts. Over 400 nuggets of information are taken from all areas of the equine world, -from the pages of science journals to the ringside of a rodeo. Find the answer to questions such as: Do horses have hair or fur? Can a horse cross with a zebra? Has a horse ever been cloned? Why do horses stand in the rain? What snacks do horses prefer? How fast is a horse compared to a cheetah? The book also includes practical advice

on riding and showing horses and encourages appreciation of and respect for these most magnificent beasts.
