Harry Houdini : Houdini's Book of Magic and Party Pastimes: Fascinating Puzzles, Tricks and Mysterious Stunts before purchasing it in order to gage whether or not it would be worth my time, and all praised Houdini's Book of Magic and Party Pastimes: Fascinating Puzzles, Tricks and Mysterious Stunts:

This is a real beginners' book of magic, written by Houdini just prior to his death. None of the 67 tricks are difficult, but they are all mystifying and highly entertaining. Two are described and each illustrated with a black and white drawing on each of the 31 pages, with 6 on the last, endpaper page. -- A magic collector's delight. - The book is oblong, measuring 8-1/4" x 10-1/4" x 3/8".
