J. R. Miller : How Professional Gamblers Beat the Pro Football Pointsread before purchasing it in order to gage whether or not it would be worth my time, and all praised How Professional Gamblers Beat the Pro Football Pointsread:

2 of 2 people found the following review helpful. I love Jr MillerBy William JosephI love Jr Miller. Guy is a bright guy. His website posts a lot of the same stuff. All in all though, this book doesn't have much new material if you've

read anything from his site. Worth the buy and read though. 0 of 0 people found the following review helpful. Has some information worth reading but the math problems aren't useful. The game has changed 1 of 1 people found the following review helpful. Even for the daily gambler. By Kevin DeBoer I heard about this online and thought it might be dated but I ended up learning quite a bit from this book.

A step-by-step guide to full time sports betting. How the business of sports betting 'works', pointspreads, 'vigorous' bookmakers. How pros pencil-in a predicted score, how to recognize key pointspreads, how to account for injuries, how to spot motivations, how to beat over/unders, correct money management, how to profit from parlays, how to deal with abstract factors, how to spot sucker plays, how to beat exhibition season, how to spot motivations, how to form power ratings, how to profit from various special situations... Everything you need to know to beat pro football.

"...A solid investment for every veteran and certainly for every beginner... Informative, readable, to the point..." -- Howard Schwartz, Gamblers' Book Club, Las Vegas "I highly recommend this book... I am very impressed. Helps both the novice and sophisticated..." -- Sonny Reizner, legendary Las Vegas sportbook manager The only sports betting book recommended to libraries as 'core reading material' by Jack Short, president, American Library Trustee Association -- Jack Short, past president, American Library Trustee Association About the Author J. R. Miller's 'how-to' articles first appeared in the 1980's in the original Gambling Times Magazine. He was selected to Las Vegas' Wall of Fame for his contributions to sports betting, and taught sports betting classes at Clark County Community College, Las Vegas. He was interviewed by The New York Times (Business Section) as a pro gambler, and he's been featured by radio television shows, newspapers, newsletters, websites magazines as a top sports betting expert. He served as a consultant to the producers of the television specials, Gambling In America and High Rollers' Las Vegas, and since 1997 he's headed up the award-winning website, Professionalgambler.com.
