If I had one criticism, I think that the book could have benefited from simpler illustrations. But the text is A+. I teach Mah Jongg, and I am recommending this book to all of my students.2 of 2 people found the following review helpful. Great illustrations. This book was good for my young ...By sjd. Great illustrations.This book was good for my young granddaughter who is learning Mah Jongg but a more appropriate book for adults would be Stacey Rea's Lets Play Modern American Mah Jongg; a Flipbook Reference Guide. The flipbook has the same information in a portable format. The flipbook information is extremely well organized and would be a more useful addition to your mah jongg tool box,1 of 1 people found the following review helpful. Best Mah Jongg bookBy NaplesMariaGreat book for people just starting out in learning Math Jongg. I recommended it for all my students and they loved it. It is easy and the graphics explain it even better. Highly recommend it.
