**Rod Lloyd : How to solve a rubiks cube: rubiks cube solution** before purchasing it in order to gage whether or not it would be worth my time, and all praised How to solve a rubiks cube: rubiks cube solution:

0 of 0 people found the following review helpful. Four StarsBy ScottI enjoyed it.3 of 3 people found the following review helpful. EnjoyableBy Rodney ScarlettThis tutorial was satisfactory. I enjoyed the way every situation was thoroughly explained with the aid of diagrams in colour. I am a slow learner but I could solve the first two layers in less than a day. I learnt to solve the last layer the next day. It took me only two days to learn the cube and I am a slow

learner. Most people would learn it quicker than me. Keep the good work up.

These are the seven simple stages to solve the cube. This guide will unlock your full potential. There are no complex instructions. There are no complex diagrams. This is solving made easy. It can be learnt in a short time. This is a very straightforward and simple tutorial.
