**Steve Ledoux : How to Win Lotteries, Sweepstakes, and Contests** before purchasing it in order to gage whether or not it would be worth my time, and all praised How to Win Lotteries, Sweepstakes, and Contests:

1 of 1 people found the following review helpful. Lottery, sweepstakes and contests secretsBy C. SassinWell, I read the book and found out it was a waste of my money. I thought it would have "The Secrets to Getting Rich" in it and now I know that the secret is to write a book and have people buy it so I can make money. I honestly didn't get any

information from the book that I didn't already know.0 of 0 people found the following review helpful. InterestingBy christopher tortorainteresting theories and a good read if you play the lottery.1 of 1 people found the following review helpful. OkayBy tybbyIt was okay. Not what I thought it would be. I really hate books that talk about their experience. I just want to know what I need to know.
