We like Garrison Keillor but this just wasn't his best. 5 of 5 people found the following review helpful. Garrison Keillor's talents have long been appreciated in our family. By misn0mer It was many years ago we discovered "More Humor: Stories from the Collection More News from Lake Wobegon News From Lake Wobegon" on our radio on Saturday evening. It is fun to have some vignettes at hand any time any of us want to hear Garrison Keillor's particular brand of humor. The opening tract is a personal favorite. Very humorous. I was disappointed that there weren't more stories however. I have to admit I was surprised to find only 4 tracks on this CD. But there were funny, I must say. 0 of 0 people found the following review helpful. Five Stars By IU Leatherneck received as advertised
