**Franz Liszt : Hungaria (Symphonic Poem No.9), S.103: Study score** before purchasing it in order to gage whether or not it would be worth my time, and all praised Hungaria (Symphonic Poem No.9), S.103: Study score:

The ninth in his ground breaking series of thirteen tone poems for orchestra, Liszt's Hungaria was composed in 1854 and given a tremendously successful premiere in Budapest's National Theatre on 8 September 1856 under the composer's direction. This new study score is a digitally-restored reissue of the score edited by Otto Taubmann in the fifth volume of the Liszt-Stiftung edition, published in 1909. As with all PLP scores a percentage of each sale is

donated to the amazing online archive of free music scores and recordings, IMSLP - Petrucci Music Library.
